Workshop on (laser) ignition for aeronautical/spatial applications

- | | | |
|--------------|--|---|
| 8:45 | <i>Coffee and registration</i> | |
| 9:30 | Pavel (INFPLR, Romania) | About LasIG programme |
| 9:45 | Vicquelin (EM2C, France) | About TIMBER programme |
| 10:00 | Renou (CORIA, France) | Current activities on sprays ignition |
| 10:45 | Cuenot (CERFACS, France) | Numerical simulation and modeling of ignition in aircraft engines |
| 11:30 | Rouzaud (ONERA, France) | Current activities on sprays ignition |
| 12:15 | <i>Lunch break</i> | |
| 14:00 | Kroupa (CTR, Austria) | Laser Ignition for Aerospace Applications |
| 14:45 | Mastorakos (Cambridge, UK) | Laser ignition and flame propagation in fuel droplet mists |
| 15:30 | Zimmer (EM2C, France) | Ignition of aeronautical injector |
| 16:15 | <i>Coffee break</i> | |
| 16:45 | Round table about (Laser) Ignition in Aeronautics / Aerospace | |
| 19:00 | <i>Diner</i> | |

Further details and registration (free) on the official website
